# THE 119th ANNUAL REPORT of the Committee.

---

To the Governors and Friends of the Hospital.

During the past year difficulties peculiar to post-war periods, though foreseen to some extent, could not wholly be forestalled, and it is a satisfaction to know that, notwithstanding these, the Hospital has come through with increased efficiency and increasing activities, and the year 1946 has seen developments and improvements at the Hospital that have tended in the upward direction.

Foremost in this connection is the amalgamation of our work with that of the County Hospital as from the 1st January, 1947.

Before the Government produced the Bill for a National Health Service, representatives of the County Council and the Royal Victoria Hospital in Dover were meeting to study how best these two hospitals in the town could meet the immediate needs of the residents.

An arrangement was finally agreed whereby the two hospitals, while remaining under their respective Committees of Management, will provide a planned and co-ordinated service for those who require general hospital treatment.

As a broad division, the Royal Victoria Hospital deals with surgical patients, while the County Hospital deals with medical patients, and all out-patient departments are at the Royal Victoria Hospital.

The Medical Staff is common to both hospitals, and there is a common staff for pharmacy, radiography and physiotherapy.

The Matron of the Royal Victoria Hospital is also Matron of the County Hospital, which forms part of the general training school for the nurses, thereby providing greater facilities for obtaining wider professional experience.

Particular interest attaches to this arrangement because it is believed that the Royal Victoria Hospital, Dover, is the first Voluntary Hospital in this country to associate its work with a County Hospital, and it can be confidently said that the Hospital service in Dover will be greatly enhanced in efficiency by this pooling of resources, with consequent benefits to the patients.

## HONORARY MEDICAL & SURGICAL & NURSING STAFF.

The Committee tender their very sincere thanks to the following members of the Honorary Staff:—Dr. J. R. W. Richardson, Dr. W. B. Laird, Dr. C. P. K. Toland and Dr. G. W. Hinchliff (Physicians); Mr. T. J. Cobbe, Mrs. G. M. B. Toland and Mr. H. O. M. Merewether (Surgeons); Mr. C. E. S. Oxley (Ear, Nose and Throat Department); Dr. D. W. McLean (Ophthalmic Department); Dr. A. C. Rusack (Radiologist); and Mr. Victor G. Smith (Dental Surgeon).

The Committee also thank the following for their loyal services:—The Matron, Sisters and Nursing Staff; Miss Young (Physiotherapist); and Mr. Cox (Pharmacist).

#### RESIGNATION OF MR. PETCHEY.

On the 1st October, 1946, Mr. George Petchey resigned his post of Dispenser to this Hospital, which he had held for 42 years. During this long period his devotion and loyalty to the Hospital were outstanding and his faithful and courteous service to an untold number of patients and staff will long be remembered by them. Members of the Committee and of the Hospital Staff, as well as the public, will wish Mr. Petchey happiness in his well earned retirement.

Mr. Leonard D. Cox, M.P.S., was appointed as Pharmacist by the Committee to fill the vacancy caused by Mr. Petchey's resignation.

#### THE MEDICAL REPORT.

It will be seen by study of the annexed Medical Report that there has been a great increase in the number of In-Patients treated during 1946. The average number of beds occupied rose from 47 to 62, and the number of maternity cases was doubled. A very considerable sum has been expended on necessary renewals and purchase of new surgical equipment, but while the demands on the Hospital have been multiplied, its income has not increased accordingly. Restriction of accommodation continues to be a severe handicap in all departments.

#### DOVER'S BATTLE OF BRITAIN MEMORIAL HOSPITAL.

The Government proposals as to the future control of hospitals announced in the Spring, made it a difficult year for the progress of the Appeal. Nevertheless, the Appeal Executive Committee decided unanimously to continue the Appeal, and their efforts, in view of all adverse circumstances, have been justified.

The audited Accounts of the Appeal Fund for the year ended 31st December, 1946, show £10,015 16s. 5d. as the total of donations received. In addition to this figure, £242 16s. 4d. was collected by the Southern Railway, Dover Priory Station Account, to the end

of 1946. Notable amongst the gifts promised additionally to these figures during the year were £1,500 from the City of Auckland, New Zealand (since received) and £775 (stg.) by Hobart, Tasmania. The total of the Fund, with amounts received and promised, to the end of 1946 is £32,028 18s. 4d.

In September last, the Trustees, on behalf of the Appeal, acquired the Castlemount Site for the proposed Memorial Hospital. This site is admirably suited to the purpose of the Memorial Hospital. It is not only beautifully situated on high ground near the Castle and therefore overlooking the sea, but is also easily accessible, being within a few minutes reach of the centre of the Town.

#### THE FINANCE OF THE HOSPITAL.

With the general increase in the number of patients treated, the cost of running the Hospital has reached a new high level of £25,696 15s. 1d., and although the income was the record figure of £17,562 17s. 6d., the result was the largest deficit ever shown on the accounts, *viz.*, £8,133 17s. 7d. The rise in expenditure is due to many factors—higher salaries and wages, further rises in the cost of drugs, dressings and instruments and, in fact, a general rise in all items of expenditure.

One gratifying item is the increase of nearly £4,000 in the amount paid by In-patients, thus indicating the increase in work done. It will be noted, however, that this item covers only half of the salaries paid during the year.

The cost of repairs during the year was actually £250 higher than that shown in the Income and Expenditure Account. The sum of £250 has been taken from the reserve for deferred repairs, thus reducing the reserve to £750.

The deficit will have to be met from capital, and this will, of course, reduce the income from investments during the current year.

#### NATIONAL HEALTH SERVICE ACT, 1946.

Under the provisions of this Act, the control of Hospitals will pass to Management Committees, but the Act is only a framework upon which details will be arranged by orders and regulations made by the Ministers of State. The date upon which these provisions come into force has been mentioned as 1st April, 1948. Although the Hospital will be maintained by the State, subscriptions, donations and legacies can still be given direct to the Management Committees and will be used by them for the provision of additional comforts for patients and for other purposes such as research. It will be seen, therefore, that until the Act comes into operation every effort must be maintained to provide voluntary contributions, so that the same high standard of service can be rendered to those in need of treatment, and after the State have taken over it will still be open to patients and others to give to the Hospital donations which can be earmarked for any particular purpose.

## LEGACIES.

£2,600 0s. 0d. under the Will of Mrs. E. A. Jezard, deceased.  
£100 0s. 0d. under the Will of A. G. Dickeson, deceased.  
£100 0s. 0d. under the Will of Mrs. C. M. Baker, deceased.

## DOVER HOSPITAL WORKERS & JOINT BOX COMMITTEE.

In spite of various obvious handicaps, the total of contributions collected by this Committee has again constituted a record, and the grateful thanks of the Governors is recorded to all Box Stewards and subscribers as well as to Mr. Jeffery and his assistant, and to all officers, delegates and collectors of the Workers' Section of this Committee, many of whom have worked for so many years for this Hospital.

## HOSPITAL LIBRARY

RUN BY MEMBERS OF THE INNER WHEEL CLUB, DOVER  
(ROTARY CLUB).

Special thanks are due to Mrs. H. W. Youden (President) for collecting books and organising a regular Hospital Library Service for the patients. This is greatly appreciated, and is carried out regularly twice a week through the kind assistance of the members, who can rest assured how very eagerly their visits are awaited.

## LINEN LEAGUE.

The Linen League has again been of great assistance during the past year. The Countess of Guilford, although unfortunately unable to attend meetings after her severe illness in January, 1946, has, nevertheless, continued to take her usual kind interest in the work and has helped the League in every way possible. While sympathising with Lady Guilford in her illness, and expressing our good wishes for the future, we take this opportunity of tending our most grateful thanks to her for so many years of devoted work on behalf of the Hospital.

Special thanks are also due to Mrs. Llewellyn Langley for organising the Working Party, which does such useful work, and also to Mrs. Dunford, who deputised for her during her illness. We are also very grateful to Mrs. Hogben and to Mrs. Cobbe for their continued good work as Hon. Treasurer and Hon. Secretary, as well as to all subscribers and workers for this organisation, which deserves every support, and it is hoped that even more will join in the future and help to keep the voluntary spirit alive, which has existed in connection with this Institution since 1828.

## CONCLUSION.

In concluding their survey of the year's activities, the Committee express highest appreciation and thanks to all subscribers, donors, workers and to all who have rendered service to the Hospital, including the Rev. H. M. Russell (Honorary Chaplain); the Hon. Auditors; the Hon. Treasurer; the General Secretary and her staff; the local Police; and the Press.

R. G. A. CLARK,  
*Chairman of the Committee.*
